The bidder must enclose along with technical bid, the documents issued by certified chartered accountant, showing annual turnover of last two years (2022-23, 2023-24 and 2024-25 if available).
23. The bidder must attach documents/certificates regarding the quality standard certificate like ISO/ISI or any other equivalent certification to prove the standardization of the cart to be supplied. In the absence of documents regarding standardization, the bid will be declared technically disqualified.
24. The bidder must attach documents/certificates regarding the experience of supply of Battery-operated carts of aggregate value of minimum 5 Lakhs, to any Government office/Institute within last 3 years. In the absence of documents regarding experience the bid will be declared technically disqualified.
25. The bidder must enclose with the technical bid the brochures containing photographs and technical specifications or self-attested colour photographs of the Battery-operated cart along with the specifications of the cart that will be supplied by the bidder. In the absence of these documents, the bid will be declared technically disqualified. Bids of only those bids will be considered for which photograph and technical specification is submitted in technical bid. Only such bids satisfying the specifications provided will be evaluated in the financial bids.

26. In case the bidder is a dealer or supplier, the bidder must submit self-attested photocopy of the authorization certificate issued by the manufacturer of the Battery-operated cart, for which technical bid is submitted by the bidder. In the absence of such authorization certificate/letter, the bid for that Battery operated cart will not be considered. Only such bids for which authorization certificate is provided will be evaluated in the financial bids.
27. The bidder must provide the contact details of the service centre/service provider/dealer near Patna who will be providing service to the carts supplied and who will attend the service call within 48 hrs of communication for the required service.
28. The bidder must provide 2 Years warranty certificate along with the bid and will perform 2 years AMC contract.
29. It will be the responsibility of the bidder to provide Registrations/ Permissions/ Authorizations/ NOC etc. issued by the concerned Government Department/institution/Board or any other body authorized for such purpose for the operation of the Battery-operated cart to be supplied.
30. Any issue regarding Battery operated cart will be resolved by the committee. Committee may alter/correct the requirements of the cart, if it is felt necessary to do so. The decision of the committee regarding the finalization of requirements of cart will be final and binding on the bidders.
31. In no case successful bidder can change or request to change, the cart or the specification of the cart which has been submitted in the technical bid for unavailability or any other reason.
32. The bidder must specify the Annual Maintenance schedule for the cart to be supplied.
33. Committee will have all the right to disqualify the bid if any malpractices or tempering is found in the submitted bid document.
34. The bidder must supply the Battery-operated carts within 15 days of issuing of the purchase order by Bodhgaya Temple Management Committee, Bodhgaya, Gaya, Bihar. If the supply of vehicles requires more than 15 days due to any acceptable reason, the reason and the time required for the delivery must be mentioned along with the technical bid. The committee can reject the bid technically, if it is found that undue time for supply is quoted by the bidder.

Financial Bid

35. The bidder must mention the cost of Battery-operated cart in digits and well as in words clearly without any overwriting.
36. The cost of Battery-operated cart submitted by the bidder will be inclusive of all taxes, cess, fees, fees required for registration/Authorization/NOC etc. of the cart, transportation cost till Bodhgaya Temple Management Committee, Bodhgaya, Gaya, Bihar loading, unloading and installation etc. of the cart. No extra/hidden charges will be payable from Bodhgaya Temple Management Committee, Bodhgaya side apart from the cost submitted by the bidder in the financial bids.
37. The cost of cart will include AMC charges applicable during warranty period of that Battery operated cart. No separate charges will be paid for annual routine maintenance of the cart during warranty period of the cart.
38. The cost of material submitted by the bidder must include any other charges or changes in the tax rates etc. as communicated by the central or state government from time to time.
39. Evaluation of the financial bid will be based on the minimum of submitted cost for the cart by technically approved bidders.
